NORTH COUNTRY theatre THE GIFT OF STONES BY JIM CRACE "Salute the liars - they can make the real world disappear and a fresh world ADAPTED FOR take its place" THE STAGE AND DIRECTED BY NOBBY DIMON

SUPPORTED BY

THE GIFT OF STONES

The village of flint knappers is safe, self satisfied, and inward looking, but a stray arrow, an amputation, and a wild woman from the salt sea marshes bring murder, mystery and cataclysmic change.

Jim Crace's award-winning historical novel is brought to the stage by the company whose brilliant adaptations have ranged from the hilarious The 39 Steps to the deeply moving A Month in the Country.
